THE HON'BLE MR JUSTICE V.V.S.RAO

WRIT PETITION No.6756 of 2006

ORDER:

The petitioner filed the instant Writ Petition seeking a writ of mandamus declaring the action of the respondents in making efforts to dispossess him from the land admeasuring Ac.1.10 guntas in Survey No.424 of Narsapur Village, Siddipet Mandal in Medak District, as illegal and unconstitutional.

After hearing the learned Counsel for the petitioner and perusing the material placed before this Court, this Court is of the considered opinion that this writ petition is abuse of process of law. The petitioner filed W.P.No.26378 of 2005 for a similar relief and this Court disposed of the same directing the respondents to consider the representation made by the petitioner and his brothers on 03.06.2005. It is also brought to the notice of this Court that in obedience to the orders of this Court, the Mandal Revenue Officer, the third respondent herein, issued a notice bearing No.D/15701/2005, dated 24.12.2005, directing the petitioner and his brothers to produce the documentary evidence with regard to the land in Survey No.424. It is now alleged that even while the enquiry is pending, efforts are being made to assign the land to others. Though no such evidence is filed along with the writ petition, at the time of making submissions, the learned Counsel for the petitioner has placed before this Court an undated printed house site patta, which is prepared in the name of one Pidishetti Rajesh, S/o.Bhumaiah, of Siddipet. The same has no evidentiary value. Even according to the petitioner the Mandal Revenue Officer is proceeding in accordance with the judgment of this Court, and the petitioner has to await the result of the same.

The Writ Petition, with the above observations, is accordingly dismissed. No costs.
